

REMARKS

In response to the election requirement in the Office Action of December 28, 2007, Applicant hereby elects Species I, drawn to a luminescent device having an organic compound layer containing an alkaline metal. Claims 14-18 read on the elected species. Claims 15-18 have been amended and new claims 39-53 have been added, which also read on the elected Species I. Thus, claims 14-18 and 39-53 are subject to examination.

Examination on the merits is requested.

Respectfully submitted,

Eric J. Robinson
